The employee shall furnish written proof to the Union that such payment has been made. If the employee and the bargaining representative do not reach agreement on such matter, the Public Employment Relations Commission shall designate the charitable organization.

The Union shall refund to the City any amounts paid to it in error on account of the check-off provision upon presentation of proper evidence thereof.

(1.4) Union Notification - Within thirty (30) days from the date of hire of a full time or part time employee as defined in sub-sections 1.1.1 and 1.1.2 above, the City shall forward to the Union the name and address of the new employee. ARTICLE III - HOURS OF WORK, OVERTIME, STANDBY, AND CALLBACK

(3.1) Work Schedules - The workweek shall consist of seven consecutive days beginning on Sunday at 12:00 AM and ending on Saturday at midnight. The normal work schedule shall be set by the City as provided herein.

(3.1.1) The normal work day schedule shall usually be eight (8) hours per day and five (5) consecutive days per week, with the exception of alternative work schedules and weekend work to perform required duties as assigned by the Department Head or designee. The City will provide a minimum of ten (10) days notice to require a change in the employee's shift or starting time. If the 10 day notice is not given or mutually agreed upon then the employee shall be paid in accordance with the provisions outlined in Article 3.5, Overtime. If the notice given is less than 10 days, but the employee mutually agrees, the notice requirement is waived. Exceptions to the 10 day notice requirement would be in the case of an emergency situation. Examples of emergency situations may include storms, floods, severe inclement weather, or fires with an expected duration of eight (8) hours or more. Another exception where a ten (10) day notice would not be needed is if employees requested, and the Department Head agreed to earlier shift starting times for an indefinite period.

(3.1.2) An employee or a group of employees may request, or the City may assign an Alternative Work Schedule outside of the usual five (5) consecutive days per week, eight (8) hours per day. The Union agrees that if an employee or group of employees requests an Alternative Work Schedule, the needs of the City shall prevail, and the Department Head or designee may deny an Alternative Work Schedule based upon those needs. In any case Alternative Work Schedules will be based on the needs of the City

(3.1.3) Alternative Work Schedules include, but are not limited to, 4/10's and 9/80's.

(3.1.4) Alternative Work Schedules must not increase the City's compensation costs.

(3.1.5) Employees on Alternative Work Schedules shall receive holiday compensation for any holiday set forth in this agreement that falls on their normally scheduled day of work for the full amount of their normally scheduled hours. If a holiday were to fall on an employee's scheduled flex-day or day off, under an Alternative Work Schedule, that Holiday will be made up in the same FLSA period as approved by the Department Head or designee.

(3.2) Telephonic or Electronic Response - No employee is allowed to work outside of their work schedule without approval from their Department Head or designee. Those employees who telephonically or electronically respond to specific work situations will be considered on Standby, and shall be compensated per Article 3, Section 3.4 Standby.

(3.3) Rest/Meal Periods - Employees shall receive one (1) fifteen (15) minute rest period on the City's time for each four (4) hour work period. Rest periods shall be scheduled as near as possible to the mid-point of each four (4) hour work period. No employee shall be required to work more than three (3) hours without a rest period. If the employee leaves the job site, the fifteen (15) minute rest period shall include travel time to and from the job site.

(3.3.1) Employees shall receive a meal period of thirty (30) minutes, or sixty (60) minutes based upon the Department Head or designee's approval, which shall be on the employee's own time and which shall commence no less than three (3) nor more than five (5) hours from the beginning of the shift.

(3.3.2) If due to the nature of a particular project or emergency an employee is asked to modify their break or lunch schedule and cannot leave the job site, the employee may be granted a flexible schedule up to and including combining breaks or leaving early.

(3.4) Standby - When employees are required by the City to be on standby duty, on their off duty time, in order to respond to callbacks or callouts, they shall receive standby pay at a flat rate of \$25.00 per day (including telephonic responses) Monday through Friday, and a flat rate of \$35.00 per day (including telephonic responses), Saturday, Sunday, and Holidays. The intent of the City is to equally distribute standby duty amongst all employees, provided they are qualified, as determined by the Department Head, and appropriately certified to perform the necessary duties. The employee on standby must be fit for duty, which includes being at work for the afternoon of the standby day, and able to reach the assigned duty station within 40 minutes.

(3.5) Overtime - Overtime will be paid in accordance with the Fair Labor Standards Act (all work performed in excess of forty (40) hours in one (1) week). Overtime shall be paid for at one and one-half (1-1/2) times the employee's regular straight-time hourly rate of pay. All unscheduled hours worked in continuation of the regularly scheduled workday shall be paid at the overtime rate.

(3.5.1) Overtime shall be paid for in increments of fifteen (15) minutes with the major portion of each fifteen (15) minute increment being paid as fifteen (15) minutes. Overtime shall require prior authorization by the Department Head or designee. Forms authorizing overtime shall be attached to the Employee's timesheet each month.

(3.5.2) In computing overtime, all contractual holiday and bereavement leave hours shall be considered as time worked.

(3.6) Compensatory Time - In lieu of paid overtime, compensatory time-off may be accrued upon the request of the employee and approval of the Department Head or designee. Compensatory time shall be accrued at the rate of one and one-half (1 -1/2) times the actual time worked. Compensatory time shall not exceed an accumulated balance of one hundred (100) hours at the end of any payroll period. Balances may be carried forward from year to year as long as the maximum accumulation of one hundred (100) hours is not exceeded. Upon the effective date of separation from employment employees shall be entitled to a sum of money at their current regular rate of pay for any comp time hours which have not been used up to a maximum of one hundred (100) hours.

(3.7) Callback/Callout - An employee who has left work and is called back to work after completion of a regular day's shift shall be paid a minimum of two (2) hours at one and one-half (1-1/2) times their regular straight-time hourly rate of pay. However, if the employee's regular shift starts less than two (2) hours from the time they started work on the callback, they shall receive one and one-half (1 -1/2) times their regular straight-time hourly rate of pay only for such time as occurs before their regular shift.

(3.7.1) Callback/Callout pay and the two hour guarantee shall not be paid for routine or emergency work done as a continuation of the work day, for planned work scheduled in advance with the employee, to start a shift early, or for holiday work scheduled in advance with the employee.

(3.7.2) The Department Head or designee will determine the call back order based upon the best interests of the City. The City's intent is to callback individuals who are best suited, based upon their experience, knowledge, skills, and abilities, to address the situation at hand, while reasonably providing call back opportunities for all Public Works employees. Qualified individuals on standby duty will be called first. If for any reason individuals on standby duty are not available, or more help is needed, the City will then usually call employees within the division the work most relates to, and then, throughout the rest of the department based upon the previously stated intent. In cases of emergency or immediate need where possible threats to public safety exist, the City reserves the right to suspend the callback order as the needs of the City shall prevail.

ARTICLE IV - WAGES

(4.1) Wage Appendix - The classifications of employees covered by this Agreement and the corresponding rates of pay are set forth within Appendix 'A' which is attached hereto and made a part of this Agreement.

ARTICLE V - TRIAL SERVICE PERIOD, LAYOFF, RECALL AND JOB VACANCIES

(5.1) Trial Service Period - New employees shall be subject to a six (6) month trial service period commencing with their date of hire. During this period such employees shall be evaluated by the City and may be disciplined or terminated at the sole discretion of the City. Discharge or discipline of employees during their trial service period shall not be subject to the grievance procedure. The City shall not discharge or discipline a trial service employee for protected Union activity. The City has the right to extend the trial service period up to an additional six (6) months. Any employee who is promoted shall be subject to a four (4) month trial service period. During the four (4) month trial service period the City may elect to return the employee to their previous position and salary. Any employee who is promoted may elect to return to their previous position and salary at any time prior to the conclusion of the four (4) month trial service period. During the initial trial service period a newly hired employee is not eligible to use vacation or floating holidays. This does not apply to the four (4) month trial service period for promotions.

(5.2) Length of Service - The City appreciates and will strive to recognize quality performance and length of service. Both contribute greatly to the service that the City of Stanwood and its employees are able to provide. Upon satisfactory completion of the trial service period the employee's length of service with the City shall be considered from the date of hire. Length of service shall cease upon justifiable discharge, voluntary resignation, as well as layoff and approved leave of absence exceeding twelve (12) months.

(5.3) Layoff - The City shall decide all questions as to layoffs, subject to the right of the Union to request and discuss with the City the reason for any layoffs involving bargaining unit positions. If a layoff or reduction in force becomes necessary, employees will be laid off from the affected classification within their department in accordance with their seniority and the ability to perform the work available in that department without further training (excluding a reasonable orientation period). They may "bump" a junior employee in the bargaining unit from another department in accordance with their seniority and the ability to perform the work available, at the entry level requirements for the position, in that department without further training (excluding a reasonable orientation period).

(5.3.1) Trial service period employees within the same bargaining unit will be the first laid off even in the event that the position identified by the City is not the position currently held by such employee. In that event, the employee in the position identified by the City must meet all essential qualifications, as determined by the City, in order to fill the vacancy left by the layoff of the trial service employee. That employee will be paid at a rate as close to their salary as possible but within their new position's classification.

(5.3.2) In the case of a layoff or reduction in force, the City shall provide an employee with no less than (3) three weeks advance notification prior.

(5.4) Recall - In the case of recall, those employees laid off last shall be recalled first, for the position they were laid off from or to a position the City determines has similar duties and responsibilities, assuming satisfactory past performance. In order to be considered for re-employment, an employee on layoff must keep the City informed of the address and telephone number where they can be contacted. The City shall make every reasonable effort to contact the former employee. The City has no obligation to recall an employee after they have been on continuous layoff for a period of one (1) year. Should an employee not return to work when recalled the City shall have no further obligation to recall them.

(5.5) Job Vacancies - Permanent job vacancies within the bargaining unit shall be filled based upon the concept of promotion or lateral movement from within; provided however, applicants shall have the minimum qualifications, abilities and experience to meet the standards of the job vacancy and have the ability to perform the duties and responsibilities of the job. In filling permanent job vacancies, the City shall give consideration to several factors, including but not limited to the employee's length of continuous service with the City, their ability to perform the duties required of the job, and past performance. In applying this provision it is the intent of the City to provide opportunities for promotion to employees who are qualified for the position. It is also the City's intent to fill all positions with the most qualified candidate available.

(5.5.1) Notices of permanent job vacancies within the bargaining unit shall be dated and posted by the City on the Union bulletin board(s) for ten (10) calendar days. Employees who desire consideration for such openings shall notify the City in writing during the ten (10) calendar day posting period. In order to expedite the filling of a vacancy, an expedited sign-off sheet may be utilized. The required ten (10) calendar day posting period is waived if all affected employees indicate on the sign-off sheet that they have seen the notice and do not wish to be considered for the vacancy, however, the City will not advertise the vacancy until after the five (5) day posting period or the expedited posting, whichever occurs first.

ARTICLE VI - HOLIDAYS

(9.4) Fit for Duty - If the Department Head or designee has reason to believe an employee is not fit for duty or that the employee may be impaired, the Department Head or designee may send that employee for a fitness for duty evaluation. The City may designate the health care provider or site of the evaluation. Such an evaluation shall be at the City's expense.

(9.4.1) When an employee has been absent from work due to impairment, injury or illness, caused on or off the job, the Department Head may require that the employee provide a written release, from their medical provider, to full unrestricted work status before the employee is allowed to return to work without limitations. Should the treating health care provider determine that the employee has temporary limitations which may prohibit an unrestricted return to full duty; the City may elect to return the employee to any temporary limited duties which the Department Head determines the employee can safely perform. The City may determine that the employee's limitations do not permit a return to work, even if the employee desires to return to work prior to full recovery. Should the treating health care provider determine that the employee has permanent or prolonged limitations which may prohibit an unrestricted return to full duty; the City shall consider reasonable accommodations to the employee's limitations in compliance with the requirements of the Americans with Disabilities Act.

(9.5) Boots - The Employee shall be paid one hundred seventy-five dollars (\$175.00) on the first full pay period in January of each year for the purchase of steel-toed safety boots.

(9.6) Classes - Each member of the bargaining unit shall be provided the opportunity, as required by the City, to attend a first-aid class, defensive driving class including any training related to obtaining a Commercial Driver's License, and flagger's school all of which shall be provided by the City on the City's time.

(9.7) The City will pay for employee Certification fees, License renewal, training, and continued education as required by the City.

(9.7.1) Commercial Driver's License Physical - The City will reimburse employees who are required to have a Commercial Driver's License as a condition of employment up to one hundred fifty dollars (\$150.00) towards the cost of the "Department of Transportation Medical Examination" (Commercial Driver's License physical) administered by a Department of Transportation Certified Physician. The reimbursement request must include a copy of the invoice showing the employee paid the invoice and clearly stating the physical was needed to receive the employee's Medical Examiner Certificate. The employee must provide the City with a copy of the Medical Examiner Certificate showing that he/she is physically qualified to drive a commercial motor vehicle.

(9.8) Communication Equipment - Communication equipment shall be available on job sites outside the corporate City limits. All provisions for employee safety shall be in accordance with both State and Federal safety rules.

(9.9) Showers - Showers shall be provided for those employees working with sewers or with toxic materials.

(9.10) Strikes - The Union shall not authorize, call, engage in, encourage, assist or condone, in any manner, any employee strike, work stoppage, slowdown, sick-in, or any other concerted refusal to work by employees or any picketing in support thereof, or any other form of interference with or limitation of the peaceful performance of the services of the City during the life of this Agreement.

(9.11) Lockouts - The City shall not authorize, call, encourage, condone, engage in, or assist in any lockout of its employees during the life of this Agreement.

(9.12) Part-time and Temporary Employees - The City may only utilize part-time and/or temporary employees to supplement the regular full-time work force and shall not utilize part-time and/or temporary employees to replace regular full-time employees. However, if the City determines that an existing full-time position needs to be cut back to part-time and the affected employee instead of accepting the part-time position resigns, retires or otherwise refuses the part-time position, the City may then hire a part-time employee.

(9.12.1) A part-time employee scheduled to work one thousand and forty (1,040) hours or more shall receive medical, dental and vision insurance benefits as outlined in Article 8, of this agreement. All part-time employees shall earn pro rata vacation and sick leave accruals. Such proration shall be based upon the annual scheduled hours for the position in relation to 2,080 hours. Regular part-time employees shall receive pro rata holiday compensation for any holiday set forth in this agreement. During a holiday week, part-time employees and their department heads will work together to create a mutually agreed upon schedule utilizing the employee's pro rata scheduled hours minus the holiday hours. Temporary employees shall not be eligible for holiday pay, vacation or sick leave accrual, and fringe benefits unless otherwise required by State or Federal law.

(9.13) Labor Management Meetings - A Labor Management Committee (LMC) is hereby established composed of representatives from Teamsters Union Local 231 Public Works employees, and Management representing the City of Stanwood. The Union Business Agent and a bargaining unit member shall be members of the LMC. The Labor Management Committee shall meet on a quarterly basis in March, June, September, and December of each year, unless the parties agree that a meeting is not necessary for that quarter. The purpose of these meetings is for the parties to this agreement to meet and discuss issues, and concerns in an informal setting. The party proposing to meet shall be responsible to schedule and conduct the meeting.

ARTICLE X – MANAGEMENT RIGHTS

(10.1) State Law - The City has and shall retain any and all rights concerned with the management and operation of the department while recognizing its duty to bargain mandatory subjects of bargaining per RCW 41.56.

(10.2) Management Rights - The City has and shall retain the exclusive right to determine issues of public policy and to determine the merits, necessity or organization of any services or activity conducted by the City. It is the general policy of the City to continue to utilize its employees to perform work they are qualified to perform. The City reserves the right to contract out and/or eliminate any work or function performed by employees in this bargaining unit, it deems necessary in the interests of efficiency, economy, and improved work product or emergency.

(10.2.1) Except as abridged or modified by this agreement management retains all rights granted by law to operate and manage the functions of the City, to control, direct, and schedule its operations and work force and to make any and all decisions affecting such operations, whether or not specifically mentioned herein and whether or not heretofore exercised. Such prerogatives shall include but not be limited to the sole and exclusive right to hire, terminate, promote, lay off, assign, classify, evaluate, transfer, suspend, discharge, and discipline employees, select and determine the number of employees, including the number assigned any particular work, increase or decrease that number, direct and schedule the work force, determine the location and type of operation, determine the schedule when overtime shall be worked, install or move equipment, determine the methods, procedures, materials, and operations to be utilized or to discontinue their performance; to determine policies, procedures and standards for selection, training and promotion of employees; to establish performance standards to maintain the efficiency and effectiveness of governmental operations; to take any and all necessary actions to carry out its mission in emergencies; to exercise control and discretion over its organization and the technology for performing its work and services to maintain the economy desirable for the performance of City services. Nothing in this agreement shall be interpreted to detract or circumscribe the trust placed in the City government, and the rights and obligations owed to the electorate.

ARTICLE XI - DISCIPLINE

(11.1) Definition - City may discharge or suspend an employee for just cause. Discipline shall be defined as a written reprimand, suspension without pay, or discharge. Demotion may also be defined as discipline; however, not all employee demotions are necessarily for disciplinary purposes. Employees or the Union can grieve disciplinary actions through the grievance procedure outlined in this agreement; however, only suspension, demotion, or termination can be taken to arbitration.

(11.2) Process - The City supports the concept of progressive discipline. Usually, disciplinary action shall be corrective in nature; however, the decision to discipline and to what extent will be made on a case by case basis and is solely that of the City's. For example, the City may take immediate disciplinary action (up to termination) for, but not limited to, the following examples: (1) theft, (2) moral turpitude (conviction of a criminal offense), (3) misuse of public funds, (4) falsifying reports or records, (5) gross incompetence or gross negligence, (6) dishonesty on the job, (7) gross insubordination, (8) drug abuse, (9) drinking or drunkenness while on duty, (10) sexual harassment.

(11.2.1) For purposes of progressive discipline the City shall give one (1) copy of the written reprimand to the employee and one (1) copy to the Union. The complaint specified in a prior written reprimand need not concern the same type of misconduct as the cause for discharge or suspension. A written reprimand must be issued within twelve (12) working days after discovery of the violation; exclusive of Saturdays, Sundays and holidays.

ARTICLE XII - GRIEVANCE PROCEDURE

(12.1) Grievance Steps - A "grievance" is a difference that arises between the City and an employee, or between the City and the Union, as to the interpretation or application of the provisions of this agreement. It is the intent and purpose of the Union and the City to avoid and prevent grievances and misunderstandings. However, should such differences arise; an earnest effort shall be made to settle the difference as soon as practical between the aggrieved employee, or the Union, and the City, at the lowest step in the following grievance procedure.

(12.1.1) Step One – Immediate Supervisor Conversation: A grievance shall be first discussed by the employee and the immediate supervisor, with or without their Union steward present as desired by the employee, within ten (10) business days of the incident, or of the employee knowing of the incident. The supervisor shall give an answer to the employee within ten (10) business days of the discussion.

(12.1.2) Step Two – Supervisor Formal Grievance: If the grievance is not settled in Step One and the Union wishes to appeal the grievance to Step Two, it shall be referred in writing to the supervisor within ten (10) business days after the supervisor's answer. The written grievance shall contain, (1) facts upon which the grievance is based, (2) a reference to the section or sections of the Agreement that are alleged to have been violated, and (3) the remedy sought. The supervisor shall answer in writing within ten (10) business days after receipt of the grievance. If the Department Head is the employee's direct supervisor then Step Two can be skipped.

(12.1.3) Step Three – Department Head: If the grievance is not settled in Step Two and the Union wishes to appeal the grievance to Step Three, it shall be referred in writing to the Department Head within ten (10) business days after the supervisor's answer has been received. The Department Head shall answer in writing within fifteen (15) business days after receipt of the grievance.

(12.1.4) Step Four – City Administrator: If the grievance is not settled in Step Three and the Union wishes to appeal the grievance to Step Four, it shall be referred in writing to the City Administrator within ten (10) business days after the Department Head's answer has been received. The City Administrator shall answer in writing within fifteen (15) business days after receipt of the grievance.

(12.1.5) Step Five - Arbitration: If the grievance remains unresolved and the Union wishes to pursue it, the grievance exactly as set forth in writing in Step 2 (or 3 if the Department Head is the employee's direct supervisor) may first be submitted to mediation by written agreement of the parties, or will be submitted directly to arbitration in accordance with the following procedures. The referral to arbitration can only be made by the parties to this Agreement and must be in writing and presented to the other party within fifteen (15) business days of receipt of the written answer referred to in Step Four.

(12.2) Arbitration - In the event the grievance is referred to arbitration, the parties will attempt to designate an arbiter. In the event an arbiter is not agreed upon within fifteen (15) working days, the parties will jointly request the American Arbitration Association to submit a panel of nine (9) arbitrators from within the states of Washington, Idaho, or Oregon. The arbiter will be chosen from the list by alternate striking of arbiter names. When each party has stricken four (4) names, the remaining name will be the appointed arbiter. The order of striking names from the list will be determined by the flip of a coin.

(12.2.1) The arbiter, once appointed will inform the parties of the procedure to be followed.

(12.2.2) The arbiter shall hear and accept pertinent evidence by both parties. No new evidence submitted after Step Four of the grievance procedure shall be introduced to the arbiter without mutual agreement from both parties. The arbiter shall render a decision in writing to both parties within 30 days, unless mutually extended, of the closing of the record.

(12.2.3) The arbiter shall be authorized to rule and issue a decision in writing on the issue(s) presented for arbitration. The decision shall be final and binding on both parties.

(12.2.4) The arbiter shall rule only on the basis of information presented at the hearing and shall refuse to receive any information after the hearing except by mutual agreement.

(12.2.5) Each party of the proceedings may call witnesses, in the order in which their testimony is to be heard. Such testimony shall be limited to the matters set forth in the written statement of grievance. The arguments of the parties may be supported by oral comment and rebuttal. Either or both parties may submit written briefs within a time period mutually agreed upon. Such arguments of the parties, whether oral or written, shall be confined to and directed at the matters set forth in the grievance.

(12.2.6) Each party shall pay any compensation and expenses relating to its own witnesses or representatives, including attorney's fees.

(12.2.7) The arbiter shall specify in the award that the City or the Union, whichever is ruled against by the arbiter, shall pay the compensation of the arbiter, including necessary expenses.

(12.2.8) The standard of review shall be if the City's decision was arbitrary and capricious.

* (12.3) Disciplinary Action - No grievance for^{*} disciplinary action, other suspension, demotion, or termination, can be taken to arbitration. *

(12.4) All grievances, and replies, shall be submitted within the maximum periods stipulated, but excluding Saturdays, Sundays and all holidays as business days. The receipt date shall be considered as the start date for the purpose of calculating time periods in this Article. No grievance shall advance to the next step until a good faith effort has been made to settle at the lower step unless mutually agreed by the Union and the City. Time limits maybe extended by mutual waiver by both the Union and the City. Failure by the Union or employee to submit the grievance in accordance with these time limits without such waiver will constitute an abandonment of the grievance. Upon failure by the City to submit a reply within the specified time limits, the employee or the Union may advance the grievance to the next step.

ARTICLE XIII - SEPARABILITY-AND SAVINGS

(13.1) Should any clause of this Agreement be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any clause should be restrained by such tribunal, the remainder of this Agreement shall not be affected thereby and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement of such clause.

ARTICLE XIV - ENTIRE AGREEMENT

(14.1) The agreement expressed herein in writing constitutes the entire bargaining agreement between the parties and no oral statement shall add to or supersede any of its provisions. The parties acknowledge that each has held the unlimited right and opportunity to make proposals with respect to any matter deemed a proper subject for collective bargaining. The result of the exercise of those rights is set forth in this Agreement.

ARTICLE XV - DURATION

(15.1) This Agreement shall become effective January 1, 2017 and shall remain in full force and effect through December 31, 2019. All salaries as outlined in Article 4, as well as standby pay and overtime, as outlined in Article 3, shall be paid retroactively as of January 1, 2017. The Employer and the Union agree to open this contract for negotiations one hundred eighty (180) days prior to December 31, 2019.

(15.2) This Agreement and all of its terms and provisions shall continue to remain in full force and effect during the course of negotiations on a new Labor Agreement until such time as the terms of a new Agreement have been reached.

ELIGIBILITY TO PARTICIPATE IN TRUST

Eligibility for benefits is determined in accordance with the requirements established in the Collective Bargaining Agreement provided such requirements are consistent with the Trust guidelines. To establish eligibility for benefits, Trust guidelines require that eligible employees must have the required number of hours in a month and have the contractually required contributions paid on their behalf. Eligibility will commence according to the Trust's lag month eligibility rule. Eligibility continues as long as the employee remains eligible, has the contractually required number of hours per month, and has the required contributions made. The Trust, however, will not recognize any contractual provision that conditions continued eligibility on having less than 40 or more than 80 hours in a month. Eligibility will end according to the Trust's policy for employees who do not have the required number of hours and contributions in a month and who do not qualify for an applicable extension of eligibility, if any.

Employees of a participating employer not performing work covered by the Collective Bargaining Agreement may participate in the Trust only pursuant to a written special agreement approved in writing by the Trustees. The Trustees reserve the right to recover any and all benefits provided to ineligible individuals from either the ineligible individual receiving the benefits or the employer responsible for misreporting them (if applicable).

REPORTING OBLIGATION AND CONSEQUENCES OF DELINQUENCY

Employer contributions are due no later than ten (10) days after the last day of each month for which contributions are due. The Employer acknowledges that in the event of any delinquency, the Trust Agreement provides for the payment of liquidated damages, interest, attorney fees, and costs incurred in collecting the delinquent amounts.

TRUSTEES' AUTHORITY TO DETERMINE TERMS OF PLANS

The parties recognize that the detail of the benefit plans provided by the Trust and the rules under which employees and their dependents shall be eligible for such benefits is determined solely by the Board of Trustees of the Trust in accordance with the terms of the governing Agreement and Declaration of Trust (Trust Agreement). The Trustees retain the sole discretion and authority to interpret the terms of the Trust's benefit plans, the plans' eligibility requirements, and other matters related to the administration and operation of the Trust and its benefits plans. The Trustees may modify benefits or eligibility of any plan for the purpose of cost containment, cost management, or changes in medical technology and treatment.

MECHANISM FOR HANDLING CONTRIBUTION INCREASES

The Trustees' authority shall include the right to adjust the contribution rates to support the benefit plans offered by the Trust and to maintain adequate reserves to cover any extended eligibility and the Trust's contingent liability.

The parties recognize that it is the intent of the Trust not to provide employee benefit plans for less than the full cost of any such plan. If the Collective Bargaining Agreement does not provide a mechanism for fully funding the designated benefit plans, the Board of Trustees may substitute a plan then available that is fully supported by the employer's contribution obligations. The disposition of any excess employer contributions will be subject to the collective bargaining process.

ACCEPTANCE OF TRUST AGREEMENT

The Employer and the Labor Organization accept and agree to be bound by the terms of the Trust Agreement governing the Trust, and any subsequent amendments to the Trust Agreement. The parties accept as their representatives for purposes of participating in the Trust the Trustees serving on the Board of Trustees and their duly appointed successors.

Provided, however, that in the event that either Section 2 or 3 of Article VIII of the Trust Agreement is amended to change or modify an Employer's liability as specified therein, such amendment will not be deemed applicable to an Employer until such time as the Employer enters into a successor Collective Bargaining Agreement after the expiration of the Employer's then current Collective Bargaining Agreement.

APPROVAL OF TRUSTEES

This Agreement has been approved by the Board of Trustees of the Washington Teamsters Welfare Trust.
