This form authorizes submitting application(s) for grant funding assistance for Aquatic Lands Enhancement Account (ALEA) project(s) to the Recreation and Conservation Funding Board as provided in RCW 79.105.150, 79A.25 RCW, WAC 286, and other applicable authorities.

WHEREAS, under provisions of the ALEA program, state grant assistance is requested to aid in financing the cost of facility development; and

WHEREAS, our organization considers it in the best public interest to complete the project described in the application(s).

NOW, THEREFORE, BE IT RESOLVED that:

1. Leonard Kelley, the Mayor of Stanwood, is authorized to make formal application to the Recreation and Conservation Funding Board for grant assistance.
2. Our organization has reviewed the sample project agreement on the Recreation and Conservation Office's Web site at: www.rco.wa.gov/documents/manuals&forms/SampleProjAgreement.pdf and authorizes Mayor Leonard Kelly or his designee to enter into such a project agreement, if funding is awarded. We understand and acknowledge that the project agreement will contain the indemnification (applicable to any sponsor) and waiver of sovereign immunity (applicable to Tribes) and other terms and conditions that are contained in the sample project agreement. The sample project agreement may be revised periodically by the Recreation and Conservation Office. Our organization recognizes that such changes might occur prior to our authorized representative signing the actual project agreement, and we accept the responsibility and the presumption that our authorized representative shall have conferred with us as to any such changes before he/she executes the project agreement on behalf of our organization and so executes with our authorization.
3. Any grant assistance received will be used for only direct eligible and allowable costs that are reasonable and necessary to implement the project(s) referenced above.
4. Our organization expects our matching share of project funding will be derived from acquisition and planning costs expended on the project and that pursuant to WAC 286-13-040 we must certify the availability of match at least one month before funding approval. In addition, our organization understands it is responsible for supporting all non-cash commitments to this project should they not materialize.
5. We acknowledge that if the Recreation and Conservation Funding Board approves grant assistance for the project(s), the Recreation and Conservation Office will pay us on only a reimbursement basis. We understand reimbursement basis means that we will only request payment from the Recreation and Conservation Office after we incur eligible and allowable costs and pay them. The Recreation and Conservation Office may also determine an amount of retainage and hold that amount until the project is complete.
6. We acknowledge that any property owned by our organization that is developed, renovated or restored with grant assistance must be dedicated for the purpose of the grant in perpetuity after the project is complete unless otherwise provided and agreed to by our organization and the Recreation and Conservation Funding Board in the project agreement or an amendment thereto.
7. We certify that the project(s) does not conflict with the *Puget Sound Action Agenda* developed by the Puget Sound Partnership under RCW 90.71.310. When completed, the project will not result in water quality degradation in Puget

Sound, nor loss of ecosystem process, structure, or functions. The project will meet or exceed all permitting requirements.

8. This application authorization becomes part of a formal application to the Recreation and Conservation Funding Board for grant assistance.
